ABOUT

Shawatina General Contracting Establishment (SGCE)

Shawatina General Contracting Establishment (SGCE) is a Saudi Arabia-based company providing reliable and comprehensive solutions in “manpower rental, vehicle and equipment rental, and construction contracting services”.

With a strong focus on quality, safety, reliability, and customer satisfaction, SGCE supports clients across various industries by providing the right workforce, transportation, machinery, and contracting solutions to meet their operational and project requirements.

Our “Manpower Rental Services” provide skilled, semi-skilled, and general workforce solutions tailored to the specific needs of our clients. We are committed to providing dependable personnel who contribute to efficient and productive project operations.

Through our “Vehicle & Equipment Rental Services”, SGCE provides a range of vehicles, heavy equipment, and machinery suitable for construction, industrial, infrastructure, and other field operations. Our focus is on maintaining dependable equipment and delivering flexible rental solutions that help clients complete their projects efficiently.

As a “Construction Contracting Company”, SGCE undertakes construction and related contracting works with an emphasis on professional execution, safety standards, quality workmanship, and timely project completion. We work closely with our clients to understand their requirements and deliver practical solutions that meet project objectives.

Vision

To deliver dependable manpower, equipment, vehicle rental, and construction contracting services that create value for our clients while maintaining high standards of *safety, quality, efficiency, and integrity.
